Accounts clerk. Duty allowance of Rs for doing duties of a Cashier

Flag T(i)

Kind reference is invited to C.E.E. letter D/21.8.1929 for the reasons for the grant of this allowance to all accounts clerks entrusted with the duties of Cashier or Storekeeper. They are that their work is of onerous nature and that they have to furnish security to the extent of Rs 150. In G.O. no E 08 406 D/12.9.1930 the C.E.E. has been empowered to grant this allowance to all similar clerks entrusted with the duties of Storekeeper or Cashier. There are 13 such clerks drawing the allowance besides the one in the Central Office.

Flag W.

The Chief Electrical Engineer has proposed that the allowances granted to the clerks in Mofussil places may be reduced to Rs 5/= but that in the head office and in the office of the Supt. B.P.L. may be retained. For this retention his reasons are that in the Central Office the Accounts clerk actually doing duty as cashier

The recommendation of C.E.E. may be accepted

at Rs 7/8

NOTE—Contn. Sheet.

is of the lower grade of Rs 35-3-65 against the sanctioned post of Rs 70-5-100 and that in the B P L. Office there is need for an additional cashier. Whether these reasons may be accepted for the continuance of the allowance at a higher rate is for consideration. Vide P.W.D.

In the P.W.D the clerks handling Cash or doing the duties of cashiers do not get any allowance. The Storekeepers there get a Conveyance allowance of Rs 5/= each and this is because of the necessity of their having to go frequently to Railway Stations for attending to the unloading of goods etc. imported.

An Official entrusted with the work of the cashier in the Comptroller's office is granted an allowance of Rs 7/= and since this has been kept by to be dealt with along with the question of similar allowances in the Electrical Department. Vide Linked file.

The allowance of Rs 10/= of an Attender that attends to Cash work in the Secretariat has been decided to be reduced to Rs 5/= (orders have not yet issued).

Sir,

Allowances drawn by the officials
of the Electrical Department.

Mr. Narasimha
Put up with notes only

I have the honour to forward herewith a statement of all kinds of allowances drawn by the non-gazetted officers of the Electrical Department as required in your letter No.Fl.3456-59 dated 20th November 1931. I have gone through the statement in detail and find that the allowances required to be continued are absolutely necessary in view of the nature and responsibility of the work involved for which these allowances have been got sanctioned. I have however proposed that the duty allowance of Rs.7-8-0 drawn by the Accounts Clerk entrusted with the duties of Cashier and Store-keeper in mofusil places being reduced to Rs.5/-. But with regard to the duty allowances of Rs.7-8-0 -- each granted to the Accounts Clerks doing duties of Cashier in the Head Quarter ~~Section~~ and Bangalore Power & Lighting Sections respectively I find it necessary to continue it for the following reasons, and may therefore be continued.

1. As against the place of a Cashier on Rs.70-5-100 -- originally sanctioned an Accounts Clerk in grade Rs.35-3-65 is now posted for the work.

2. Owing to heavy transactions in the Bangalore Power and Lighting Section the necessity for an additional Cashier is very keenly felt. But on account of the present financial stringency the proposal had to be held in abeyance. Hence the necessity for the continuance of the allowance.

With regard to the local allowance of Rs.30/- drawn by the Sub Assistant Surgeon at Sivasamudrum I have separately explained to the Secretary, Electrical Department, regarding its continuance as a lady Sub Assistant Surgeon will soon be posted there and it will be a hardship if the allowance - is reduced in view of the Sub Assistant Surgeon being obliged to be on duty both day and night on account of the bad health at Sivasamudrum and there being no possibility for her to take up any private practice.

I have the honour to be,

S i r,

Your most obedient servant,

C. M. Campa

Chief Electrical Engineer.

In the list that follows there are several cases where the Conveyance allowance @ Rs 7/8 Since reduced to Rs 5/- has been ordered to be continued at the reduced rate. All there may perhaps be omitted from the list and that in such cases the C.A is continued at the reduced rate may perhaps be mentioned in the ~~draft~~ body of the order. ~~instead~~ This will cut short the length of the list.
